

Do you have questions about coronavirus symptoms and care? If so, check with your primary care provider. If you don't have one, call 833-OHSU-CCC (833-647-8222) and they'll answer your questions. They are open 8 a.m. to 8 p.m., seven days a week. OHSU:

Connected Care Center 833-OHSU-CCC (833-647-8222) 8 a.m.-8 p.m., Monday – Sunday (Multi-language accessibility through interpreters; does not ask for immigration status; insurance not required)

In addition, the Coalition of Community Health Clinics put together a number of resources in an easy to navigate email. See below.
