Fentanyl 101:

myths, facts and other tidbits

Join us for an interactive Zoom workshop hosted by **Lydia Bartholow, DNP, PMHNP, CARN-AP** and **Hubert Matthews, PSS**.

We will cover:

- What is fentanyl?
- Community overdose prevention strategies
- How to talk to children and adolescents
- Why we are seeing fentanyl infiltrate the drug supply in our communities.

Time for questions and community engagement will be available.

WEDNESDAY, NOVEMBER 16, 2022

12:00PM-1:00PM & 7:00PM-8:00PM PST
